	Three years is not enough to do Biblical Torah-observant Ministry alone. Student first need to study and <i>know</i> the Torah, then <i>do it</i> and ultimately <i>guard it</i> , as the Word and Ruach must wash the candidate. If the student professes to be Messianic and does not do and guard the Torah then then he/she can under no circumstances begin to even think about Messianic Ministry.
	We are not training Christians with a "Hebrew flavour," this is the real deal where you do your education and practical training for the eventual reigning in the Olam Haba (Messianic kingdom)!
	Optional Reading:
	1. Shabbat DVD and PowerPoint Presentations (available through HRTI)
	2. Crash Course in Jewish History by Ken Spiro available for purchase at www.targum.com)
